Brief about the program/ activity/event:

On 9th and 12th December 2022, Department of Orthopaedics and School of Physiotherapy Bharati Vidyapeeth (Deemed to be University), Sangli organized a free Orthopaedic Camp. The camp was arranged in the Orthopaedic OPD in the Hospital. The purpose of the camp was to assess various Musculoskeletal disorders and dysfunctions by the people of all age groups. The patient's detailed history was taken by the residents of Orthopaedics followed by their assessment and examination. Thereafter, referral was given to Physiotherapy department. The patients were assessed with a functional diagnosis by Dr. Sunil Harsulkar (Asso. Prof, BVDU SOP, Sangli) and Dr. Sapna Khot (Asst. Prof, BVDU SOP, Sangli). This was followed by the prescription of required exercise protocol. The patients were educated on lifestyle modification, ergonomic advice. This camp also helped to create awareness on importance of movement and exercise in an individual's life. Many patients thereafter came to follow-up for Physiotherapy in conjunction with Orthopaedic consultation. The camp was carried out under the guidance of Dr. Shrikant Deshpande (HOD, Dept. of Orthopaedics, BVDU MCH, Sangli) and Dr. Sneha Katke (Principal, BVDU SOP, Sangli).
